C. S. JOES IS INTERESTED.
Would Be Responsible for the Notes
If Not Genuine.

Wellington, Kan., Jan. 12.—The Mail
says C. S. Joes, president of the Ameri-
can National bank at Kansas City, has
filed a motion in district court in the
suit of the Central National bank of
Topeka against the Summer-Sherman Cat-
tle company, E. E. Wilson and J. W.
Forney, asking to be made a party de-
fendant with leave to file an answer and
cross petition. Joes is the man who made
Wilson the original loan of \$12,000 on
the notes used in this action.

Joes sold these notes to the plaintiff
bank without recourse, but this still
leaves him guaranteeing the genuineness
of the signatures. J. W. Forney has
denied his endorsement of the notes under
oath. If he should satisfy the court that
his signature thereon are forgeries, Joes
will be liable for the amount due on them.
He has evidently concluded that the best
place for him to make his fight is in the
case now on court.

There is sure to be a contest over his
being made a party to the case. Colonel
Forney is sure to be a party to the case,
before Wilson disappeared, Joes wrote
Forney about the cattle securing the
\$12,000 note on which he was endorser.
Forney answered the letter, but did not
deny that he was endorser on the note.
About a month later, still before Wilson's
disappearance, Joes sent his son to For-
ney with a letter about the cattle,
again referring to the note of \$12,000 on
which he was endorser. Again Forney
failed to question his endorsement of the
note. A week after Wilson disappeared
Forney wrote Joes denying for the first
time that he had endorsed the notes.
It is easily seen that Joes' letter intro-
duced into the case may inject some embar-
rassing features into it for Colonel Forney.
The plaintiff bank also filed a reply this
morning. It is said to raise practically
the same questions as Joes' answer
would. Judge Swarts passed Joes' ap-
plication to be made a party over on
the objection of Colonel Forney's at-
torney. The case, so far as Forney is
concerned, had been set for trial on
Thursday of this week; but it was con-
tinued until February 1. There is liable
to be some warm doings in the case yet
before it is ended. Wilson will unques-
tionably be put on the stand as a wit-
ness. With Colonel Forney swearing a
\$12,000 note to be a forgery which his son-
in-law put in circulation as genuine, it
will be interesting to hear the son-in-
law testify.

OBJECTS TO QUESTION.
Nebraska Will Not Debate the Subject
Proposed.

Lawrence, Kan., Jan. 12.—There seems
to be trouble ahead between the uni-
versities of Kansas and Nebraska in
arranging debates as well as in athlet-

tween the two universities Kansas was
to submit a question and Nebraska was
to choose a side. Kansas submitted one
question and now Nebraska has sent
word that she will not debate the ques-
tion and demands another one. The
question which Kansas submitted was:
"Resolved that the United States should
permit European governments to seize
and hold permanently territory of the
debtor state not exceeding in value the
amount of the award."

Canal Treaty Might Not Be
Ratified in That Case

Paris, Jan. 12.—The Colombian repre-
sentatives in Paris admitted to the As-
sociated Press today that they enter-
tained little expectation that the legal
proceedings instituted by them against
the Panama canal company would result
in an injunction to prevent the trans-
fer of the concession to the United States.
The following statement was made ex-
planatory of Colombia's attitude:

"Our advice show that one-third, or
nearly one-third of the senate is now
opposed to the treaty. The Spanish law
authorizes the president to acquire the
Panama concession, provided it is law-
ful."

"The institution of the suit by Colum-
bia clouds the title and the validity of
the right of the company to transfer the
concession. The effect of the litigation
will, we believe, cause several sen-
ators who are known to be doubtful of
the propriety of the ratification of the
Panama treaty to vote against it, thus
securing its rejection."

OHIO LEGISLATURE BY SEPAR-
ATE BALLOT NAMES SENATOR.

Secures His Seat by the Largest Ma-
jority Ever Given in Ohio.

Columbus, O., Jan. 12.—The Ohio leg-
islature today separated to return to
return Marcus A. Hanna to the United
States senate for a second term. The
result will be formally announced at a
joint session tomorrow at noon. Sen-
ator Hanna's re-election is in striking
contrast to his election six years ago when,
after a most exciting political contest,
he secured only the requisite number
of votes to elect. Today Senator Hanna
was re-elected by the largest majority
ever given a candidate for United States
senator from Ohio. The house cast 81
votes for Mr. Hanna, two Republican
members being absent and 21 votes for
John H. Clarke of Cleveland, the Demo-
cratic candidate, one Democratic member
being absent. The senate cast 31 votes
